# Tugas Pertemuan 2

#### 1. File index.php

```
index.php ☑ 🔚 koneksi.php ☑ 🔠 db_syakirin_web_portal_berita.sql 🗵
                      color: #fff;
                 }
                 #container .menu ul {
                      list-style: none;
 39
                      margin: 0;
                      padding: 0;
                 }
                 #container .menu ul li a {
   width: 100px;
                      height: 30px;
                      float: left;
                      padding-top: 8px;
                      margin: 5px;
                      color: #fff;
text-align: center;
font-size: 12px;
 50
                      background: green;
                      text-decoration: none;
                 }
                 #container .menu ul li a:hover {
                      font-size: 14px;
                      background: #000;
                 }
 60
                 #container .konten {
                      min-height: 400px;
                      background: #ccc;
                 #container .konten .konten-kiri {
   width: 70%;
 67
 68
                      min-height: 400px;
```

### 2. File koneksi.php

```
index.php 
image: index.php image: i
```

#### 3. Script MySQLi Database

```
| Index | Image | Imag
```

```
| Index | Image: Alter | Image: Alte
```

```
